INFORMATION DISCLOSURE STATEMENT FILED UNDER 37 C.F.R. § 1.97(b)(3)

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

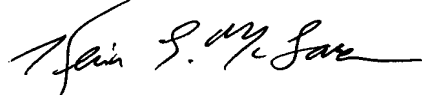

This statement is filed in the application identified above pursuant to 37 C.F.R. § 1.56. In accordance with 37 C.F.R. § 1.98(d), copies of the references are not required since copies of the listed references were included in an Information Disclosure Statement compliant with 37 C.F.R. § 1.98(a)-(c), and filed during the prosecution of parent U.S. Application Serial No. 09/640,363 filed August 16, 2000 now Patent No. 6,627,625 to be issued on September 30, 2003, which is relied upon for an earlier effective filing date under 35 U.S.C. § 120. No representation is intended that a complete search has been made of the prior art or that no better art references than those listed herein are available. The filing of this Statement shall not be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability as defined in § 1.56(b). None of the cited art is believed to disclose or

suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over these references.

Please charge any fees that might be due in connection with this Information Disclosure Statement to our Deposit Account No. 10-0435, with reference to our Matter No. 22064-69748. An extra copy of this Information Disclosure Statement is enclosed for that purpose.

Respectfully submitted,

BARNES & THORNBURG
